

GOMER NEWS

Dear all,

we are thankful that we got a lot of positive feedback from our Gomer News 5. In addition to that quite some people told us that they wanted to support us financially. This means that we could move forward in the pace that we had intended!

Since January a lot has happened. We're very thankful that also Tina's home church agreed to be our sending church- together with Ulli's home church.

The middle of Germany

Our final weeks in Gießen were great. We finished our work in the language courses and at PAI in the end of February. Then it was time to pack, sell and give away our belongings before we moved- most of that happened within a few days. It all worked out really well- although it was a lot to do. 5 ½ years (for Tina) and 2 ½ years (for Ulli) were coming to an end. It was a good time and we feel very blessed.

Let's go South

Since the beginning of March we've been living in a very small town close to Heidelberg- here we prepare ourselves for moving to Nepal. We have classes about practical and cultural topics and we do practical work. Our employer is a Christian development organization which will send us to the Nepalese Christian organization INF.

Heading East

Right now we have reached about 80 % of our support level- that is why a few days ago we could book our flight! For us this is a big miracle for which we are very thankful. Our plane is scheduled on May 5th. At the same time 20 % of our support is still missing. If you want to take part in our work and want to contribute financially, we'd be very encouraged. We'd also be excited if we found some more people who want to pray for us and encourage us.

What's next?

The coming weeks we'll continue to work here and have our classes, we'll try to get everything organized and we'll say goodbye to family, friends and church. This Sunday (April 10th) and next Sunday (April 17th) our churches will have a service in which they pray for us and send us out.

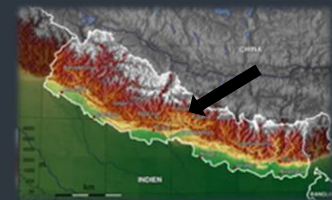

We assume that you'll receive the next Gomer News from Nepal,

We hope you are fine?!

Be a blessing,

Tina & Ulli
